HIGH PRAISE

“He is our main strike bowler. He is tall, strong and can bowl long spells which helped him excel.”
- MS Dhoni

Ishant bowled in the right areas, used bounce very well and nipped the ball both ways. He bowled well.”
-Hashim Amla

“He has bowled well throughout the **series** actually, and in the Test **series** as well. He is a fine bowler and I am sure we will have few more battles along the way.”

- Alastair Cook

INSTRUMENTAL IN LORDS WIN

Ishant Sharma became the first Indian fast bowler to take 7 wickets in the fourth innings in Tests

His tally of 25 wickets (ave.26.48) in four Tests is the highest by an Indian bowler.

First and only bowler to register three five-wicket hauls in Tests in 2014

"I am the same bowler who bowled against (Ricky) Ponting in 2007-08 and the same bowler who was man-of-the-series in 2011. I am the same bowler. This pitch is the same as last match. I don't analyze my bowling a lot, because at this stage, ahead of the game it is only about mental thinking."
